Scout Skills Camporee & Food Drive

## FUN, FELLOWSHIP, AND FEEDING THE HUNGRY!

Who are the  
Alcovy Old  
Timers?

We are a group of current and retired Scouters from the Sweetwater and Apalachee districts dedicated to providing service and support to the Northeast Georgia Council.

The funds we raise are used to provide scholarships for Scouts to use for their adventures.

### Scout Skills Challenge

Put your troop to the test with a series of traditional Scout Skills competitions. Timed water boil, signal relay, knot tying, and more. How will you measure up?

### Food & Funds Drive

Each unit is expected to bring a gift card and as many cans as they can collect. Earn extra points towards your total and do some good at the same time!

### Free Lunch & More...

Do you want a break from camp cooking? The Old Timers are happy to make you an awesome lunch of chili dogs and sides. Be sure to stick around for the spectacular Yule Log burning during the best campfire of the year.
